

Entertainment, Gaming & Technology

Our lawyers understand both the law and the business of the entertainment industry and offer an integrated approach to entertainment and media law. Whether the issue is a contract or licensing dispute, entertainment industry contract negotiations, wealth and tax planning services, or other client needs, we have the capabilities and experience to get results for our clients.

Types of Clients

- Senior executives in publicly and privately held entertainment and media companies
- Computer and video game developers and distributors
- Advertising and public relations firms, talent agencies, and personal and business managers
- Technology innovators in the entertainment and media industries
