Professional Experience

Theodore L. Senet is a partner of the firm. Since joining the firm, Mr. Senet's areas of practice have been insurance, construction, environmental, and real property law. Mr. Senet has been involved in planning and construction of major projects, including high rise buildings, hospitals, airports, roadways, pipelines, power plants, refineries, and major commercial and residential developments. He currently represents private and public entities in project planning, insurance coverage disputes, complex construction defect and environmental litigation, construction delay claims, and class action litigation. He has taught courses on insurance, construction, and real property law, and has been a principal speaker at numerous seminars and industry conferences. He has published numerous articles and has been a contributing author on a number of books on construction and insurance law. Mr. Senet has been as an adjunct professor at Loyola Law School, Los Angeles, where he taught Construction Law and Sustainable Development.

Mr. Senet is a member of the American Bar Association, Tort and Insurance Practice Section, and a member of the ABA's Forum on the Construction Industry. Mr. Senet has served as an arbitrator for the American Arbitration Association. He is a former director of the Los Angeles Chapter of the United States Green Building Council and a LEED® Accredited Professional (Building Design and Construction). Mr. Senet is AV Rated Preeminent® by Martindale-Hubbell.
