

World leaders in client-led intelligence
on the legal profession

2009

Gibbs, Giden, Locher, Turner & Senet LLP

The Firm: This is a busy firm with a long-standing and popular construction practice. It has well-reputed capabilities in planning and construction of projects and has deep expertise in public contracts, real estate law, insurance including title insurance, and common interest community law. It is well versed in working with clients on transactions and dispute resolution including litigation, arbitration and mediation.

Leading Individuals: [Glenn Turner](#) is a superb attorney with experience in construction law, including litigation. He recently successfully represented Southern California Public Power Authority in mediation over a claim relating to the construction of Burbank Power Plant. [Barbara Gadbois](#) is a renowned transactional lawyer and "one of the most sophisticated advisers in Californian construction." She recently advised nonprofit Green Dot Public Schools on the planning, contract drafting and contract administration for a new building program including five new high school campuses in high needs areas in Los Angeles County.

Chambers USA Guide Overview:

Since 1999, Chambers has been researching the US legal profession, identifying the leading lawyers and law firms through interviews with thousands of lawyers and their clients. Their reputation is based on the independence and objectivity of our research. In addition to the 'state' listings, certain practice areas, such as antitrust and capital markets, have 'nationwide' listings which include those firms and lawyers with national practices. To see how they assess and rank lawyers, please visit their website at www.chambersandpartners.com.

Testimonial:

"Using quotes from Chambers' on our web site and in our tender documents helps us differentiate ourselves from the competitors. We're not saying we're the best- a trusted independent guide says we are, and that makes all the difference to clients."
